

Tapestry

Tapestry is now available for all our nursery and reception parents. With Tapestry you can:

- See what your child has done,
- See what skills they have learned,
- See how they are progressing,
- Comment and let us know what you think,
- Add to their learning journey, with observations from home.

It's super secure, everyone needs a password. Only you can view your child's single or group observations that include your child. If it's a group photo, please don't download or share this image on websites such as Facebook.

Setup your password

- Open the email from Tapestry
- Click the link to setup your password
- Type a password and a pin

Don't have an email from Tapestry? Let us know and we will help you out.

How to access Tapestry

Laptop or Computer

Go to:

tapestryjournal.com

Mobile Phone or Tablet

Search for: [Tapestry](#)

Having problems accessing Tapestry? Let us know the next time you visit or email ict@woodlands.coop

We hope you love this new way to find out all the great things your child does while at nursery and reception.
